Help for Haiti

A huge THANK YOU goes out to all our Liverpool families for all their support to the **Help for Haiti** fundraiser. Our school brought in over \$1500 dollars and has met the district 18 goal of \$5 per staff and student. Teachers were overwhelmed by the many generous offering of our students. Here is an example received from a grade three teacher regarding a student in her class.

All students have been overwhelmingly generous with their donations to Haiti. Some have made great sacrifices in order to help strangers in another country. One student in grade 3 had been saving her money to buy a Webkin and was only \$2 away from being able to purchase one. When she heard of the earthquake in Haiti, she decided to donate all of the money that she had been saving. This is a big sacrifice for an eight-year-old! Some other students have also donated weeks of allowance. What a great show of compassion from our young students!

LHHS Drama Presentation

The students of Liverpool Street School will be travelling by school bus on February 11th to the Fredericton Playhouse to watch **Leo Hayes High School** students perform Willy Wonka. Thanks to the parents and to our Home & School committee with helping us provide this literary enrichment opportunity to our students.
